

Hearthstone Health and Fitness recently donated \$5,000 to The Country School in support of its largest annual fundraiser. As the Prime Sponsor of the 2012 “Denim and Diamonds Gala,” Hearthstone is supporting the Country School in offering outstanding academic experiences to the children of the Eastern Shore.

This event accounts for 70% of the Country School Parents’ Association’s overall budget. Proceeds from this event support enrichment activities, including: field trips, assemblies, outdoor education programs, textbooks, school supplies, sports equipment, and professional development for our teachers.
